Bishop Kuckenbaker arrived at Ottawa Oct 14, 1857

On Sunday, March the 1st 1857 Rev Augustine Schreiber held service and preached for the first time. Sermon on the "acts of the Hour"; text St John XXI 3. He was sent by Bp. Kuckenbaker to open the parish & organize it & put it into good working order. He was sent to serve this parish in conjunction with St John's Elkhart. Mission much being at the depot & there was no rectory to call together, there was no bell no shelter for divine service. The people had written to the Bp. to request that the Church be not reopened. The new Rector had a full congregation at the first service, & a hearty reception on the part of the people the next week.

On Sunday July 15th the Bp visited the parish & confirmed sixteen (16) persons all adults. The income of the parish was then $400 & $100 of which was from rent of Rectory.

On Oct 27 the Bp notified the Rector that he had been appointed chaplain to the Bp with charge of Peace. Church & to be in London next Sunday & Monday on Advent Sunday. The Bp's goodness. That the work be carried on & opened on this

work sufficiently of a success to pay as much of its indebtedness as possible by raising additional sells by voluntary contributions.

On Friday evening a "Farewell Reception" was given to the Rector and Rectress on Thursday, 16th Inst. to which parishioners & friends were invited.

Rev. Miller Rector

On the 15th of October, 1886 Rev. D. Wm. Miller, D.D., Priest assumed the charge of this parish, having been appointed thereto in connection with St. Johns, Bristol, by the Bishop of Indiana.

Parochial organizations

The working organizations of the parish consist of Wardens and Vestry, a Ladies Society and a Young Ladies' Aid Society. The two latter devote themselves to the work of raising funds for current expenses, repairs, improvements etc.

Sunday School

A Sunday School was organized a few Sundays after the present Rectors coming.

Holy Communion

At the beginning of Lent, 1886 the custom was established of having a celebration of Holy Eucharist with every Sunday Morning Service.

Other Catholic Customs

At Christmas 1886 Wafer bread was introduced in celebration of Holy Communion.

During the present incumbency the following Catholic customs have become established in the parish as the unvarying use in the Church: "Eastward position," a vested head & Mixed Chalice (a little water and the communion wine) & Eucharistic Vestments to the Holy Communion

History.

Diocesan endowment

Early in [illegible] incumbency the Bishop requested the parish to raise $2500 as its share in the Diocesan endowment; the interest upon which would take the place of the annual assessment. The parish readily took the matter in hand, and began payments upon the same. The final payment of $1500 was made on or about Sunday 1888, thus forever freeing the parish from the annual assessments.

Rev. [illegible] E. Miller resigned the charge of this parish on [illegible] (Probably Oct 1888

Rev. J. Kirkpatrick-

Rev. J. Thompson served it, in connection with St. James' South Bend from 1888 to 1889

On Easter Monday 1890 a rectory was started which felt justified in calling to the rectorship of the parish at a salary of $600 and rectory, Rev Augustine Prentiss, which invitation was formally accepted. Service every Sunday was resumed after 7 years interruption.

Parish was [illegible] incorporated with Recorder of Deeds Early in 1893.
